

Holy Family Catholic Primary School

Spiritual, Moral, Social and Cultural Development Policy

At Holy Family Catholic Primary School, we are committed to the holistic development of pupils, integral to Christ's mission that "all may have life, and have it to the full" (John 10:10). The school will develop a climate within which all pupils can grow and flourish, respect others and be respected; accommodating difference and respecting the integrity of individuals.

The children and their learning are at the very heart of every decision made. We aim to develop learners who are passionate and take ownership of their learning and are proud of their achievements. The ethos of our school is such that all people who come into our school, whether staff, pupil, parent or visitor, are valued as individuals in their own right. They should set, and be entitled to expect from others, good standards of behaviour, marked by respect and responsibility. The school will help the pupils to develop an inner discipline and will encourage pupils to not just 'follow the crowd' – they will make up their own minds and be ready to accept responsibility for what they do. They will grow through making choices and holding to the choices they have made. They will want to be honest with themselves and with others. Our school mission is upheld by all members of our school community, creating a culture of unity, cohesion and respect. In doing so, they will be fulfilling their potential of who God has called them and gifted them to be.

Pupil Voice

The term 'pupil voice' describes how pupils give their input to what happens within the school and classroom. Our desire is for pupils to know that their expertise, opinions and ideas are valued in all aspects of school life. Pupil Voice permeates all levels of our work together, from pupils participating in small group classroom conversations to pupils establishing procedures, events and contributing to the overarching ethos of the school. A pupil well-being questionnaire is issued annually. The School Council, whose members were elected by their peers, meet weekly. Peer mentors, Playground buddies, Prefects and Play leaders all contribute to the running of the school and are a valuable asset to Holy Family.

This policy links directly with teaching British Values.
